Baniniya, Laxminiya-5.Dhanusha

INTRODUCTION

Currently studying Mechanical Engineering at Pulchowk Campus, Institute of Engineering, Tribhuvan University. Willing to work in control systems. having interest in mathematics and logics for robotics An effective communicator, team player; easy going and approachable; flexible, adaptable and open to change; quick response; confident in any project management and handling.

WORK EXPERIENCE

SOMAES

- Mentor at SOLIDWORKS workshop | SOMAES-2022
- BE Project Demonstration Sub-Coordinator | MECHTRIX-2023
- BE Project Demonstration Coordinator | MECHTRIX- 2024
- Worked as moderator, mentor, organizer, volunteer in various events.

Robotics Club, Pulchowk Campus
Member | 2021 - present

- Worked as apprentice in assisting seniors in design thinking, manufacturing and setting up arena for ABU Robocon 2021, Jimo, China and 2022, Delhi, India
- Designing and Fabricating the RR and ER robot (targeting, throwing and Picking rings) and the base (4-wheeled omni drive) of Both robot for ABU Robocon 2023, phnom penh cambodia

Product Designer, *KIAS and NAAMII*
2023-onwards | Kathmandu, Nepal

- Designing a mobile microscope for the final product design to introduce in the market in cheaper way which a less skilled manpower can operate easily due to use of AI.

Abhiyan Engineering Nepal Pvt. Ltd. | Lalitpur
Design Intern | 10/2023 - 02/2024

- Design of overview of Gandak Hydropower
- Design of Track Rack Cleaner of Gandak Hydropower, Nawalparasi district of Nepal

SKILLS AND PROFICIENCES

AutoCad | Solidworks 3D Modelling | Ansys Mechanical | C,C++ | Machining | Fabrication | Matlab(Basic) | Adobe Photoshop | Solidworks Flow Simulation | Python | Solidworks Simulation | 3D printing (Ultimate Cura, Creatility Ender 3 V2)

ACADEMIC CONFERENCES, WORKSHOPS AND CERTIFICATES

- A 7 days workshop on SOLIDWORKS organized by SOMES,2021
- A 7 days workshop on ANSYS organized by SOMES,2022
- Samsung Innovation Campus Programming with Python

PROJECTS

- Mobile Microscope, KIAS/NAAMII,KTM,Nepal
- Python Hackathon (4 bar linkage) - Ongoing

EDUCATION

Study Program

Bachelor in Mechanical Engineering, I.O.E., Pulchowk Campus | *2021 - onward*

Courses

- Fourth Year of Bachelor's in mechanical Engineering

Higher Secondary Education Board, Biology, Mathematics and Physics Major Arniko +2 Campus, Biratnagar | 2018 - 2020 (3.65 CGPA)

INTEREST

CAD | Cricket | Swimming | Project handling | Chess | Drawing | Coding
